

AMENDMENT TO AGREEMENT
RELATIVE TO CONTROL OF ADVERTISING
ADJACENT TO THE NATIONAL SYSTEM OF
INTERSTATE AND DEFENSE HIGHWAYS

This agreement entered into this 19th day of August 1964, by and between the Secretary of Commerce, acting by and through the Federal Highway Administrator (hereinafter referred to as the "Administrator") and the State of New Jersey acting through its State highway commissioner (hereinafter referred to as the "State").

WITNESSETH:

WHEREAS, the Administrator and the State entered into an agreement dated June 27, 1963, whereby the State agreed to control the erection and maintenance of outdoor advertising signs, displays and devices in areas adjacent to the National System of Interstate And Defense Highways in accordance with the provisions of 23 U.S.C. 131 and the national standards;

WHEREAS, section VI-A of the agreement provides that no outdoor advertising sign, display or device which is inconsistent with the act of the national standards shall be allowed to remain after July 1, 1964, in an adjacent area if the project of the Interstate System involved were either completed to the geometric and design standards adopted for the Interstate System before or on July 1, 1961, or under contract for completion to such standards on that date;

WHEREAS, section VI-B of the agreement provides that no outdoor advertising sign, display or device which is inconsistent with the act or the national standards shall be allowed to remain in an adjacent area after the date upon which the highway department accepts, as completed, the Interstate project involved, if a contract were awarded after July 1, 1961, for the completion of such project to the geometric and design

standards approved for the Interstate System, except the removal of any such signs, displays, or devices shall not be required prior to July 1, 1964.

WHEREAS, the State has determined that it is in the interest of the State and Administrator has determined that it is in the interest of the Federal Government to extend the time within which areas adjacent to the Interstate System must conform to the provisions of 23 U.S.C. 131 and the national standards.

NOW, THEREFORE, it is hereby mutually agreed as follows:

Section VI of the agreement of June 27, 1963, is amended to read as follows:

A. No outdoor advertising sign, display or device which is inconsistent with the act or national standards shall be allowed to remain after January 1, 1966, in any area adjacent to any segment of the Interstate System which has been completed as of that date to the geometric and design standards adopted for that system, nor shall any such sign, display or device be allowed in any area adjacent to any segment of the Interstate System completed after January 1, 1966, to the aforementioned geometric and design standards.

B. No part of the increased Federal share payable on a project under the act shall be paid on account of an adjacent area until outdoor advertising control in such area complies completely with the national standards.

IN WITNESS WHEREOF the parties hereto have executed this agreement.
